SOMETHING NEW FOR 2012
April 30 – May 10th, 2012
Netherlands, Belgium & Paris

We have reservations available for this awesome trip. We will spend 3 days in the Netherlands, 3 in Belgium and the last 3 in Paris. This is an exciting trip featuring historic Bruges and the famous Floriade of 2012 that happens only every ten years! We will cruise the canals of Amsterdam by candlelight and enjoy this thriving 800 year old capital of Holland. A visit to the Royal Palace and a visit to one of Amsterdam's famous diamond cutting artisan workshops will be a highlight here. After the

city tour we will spend time at the world-famous Keukenhof Flower Gardens where there are row after row of over seven million blooming flowers. In Brussels, we have included the Royal gardens and castle, the Arch of Triumph and the Art Nouveau houses and of course the Grand Palace. Bruges is one of the most perfectly preserved medieval cities in Europe and a World Heritage site. Our tour through the Ardennes forest and the French countryside will lead us to the “city of lights” Paris. Many other exciting adventures await us on this trip so plan to attend the travel show. Colored brochures are available on my desk so stop by and pick one up and check us out! Remember you can always read the newsletter on the website. Be sure to check the website for the latest news about State Bank & Trust. Emails are welcomed.

STROKE DETECTION PLUS-

Several of you have asked for this and we will have this helpful screening test here for you in our Community Room on Thursday, January 26th, 2012. This is a great way to check to see if problems are there before something does happen. Watch for details on the website and in the fliers.

It has been an exciting year for our “Troupers Club” full of many day trips as well as the National Parks of the Rockies, Nova Scotia, the Mississippi River Celebration River Cruise and Dyersville and of course the Panama Canal. What fun we have had and have seen so many awesome places. You truly are my great friends and traveling companions. Thanks to each of you for making this year a very memorable one for me. This is my fifteenth year of doing the “Troupers Club” and I look forward to another year of fun and travels. Please check the calendar on the back and see what is planned so far. Remember to save this but things can change so do check the monthly newsletter or the website. I wish each of you the Happiest of Holidays and my greatest wish is for good health and happiness for all of you in 2012. “Happy Travels with your “Troupers Club”
